# PERFORMING ARTS ENTRANCE SCHOLARSHIP 2019

Short-listed candidates will be invited to audition and be interviewed by a panel led by the Head of Drama. Auditions and interviews will be scheduled in November 2017.

## AUDITION

There will be three components to the audition.

- Present a prepared speech of no more than 3 minutes. The speech need not be from a script although it may be. It is expected that the speech will be memorised and appropriate gestures will be integrated into it.
- The expression, energy and character in your voice will be important components of your speech.
- Sing a song of about 3 minutes in length to a backing track. As we are mainly interested in your ability to sing in tune, singing along with another voice is therefore not appropriate. You should sing a style of song that suits your voice.
- Come prepared to demonstrate your ability to use movement as a way of communicating. This could be mime, gesture or dance or some combination of these. It is not expected that you will have a formal dance background but rather that you can communicate non-verbally. This presentation should be no more than 2 minutes and could be accompanied by appropriate music.

Pre-recorded accompaniments should be on CD, USB, or any other digital recording, and be in performance order.

You should present your prepared speech first but may decide the order of the other two components.

*You will be expected to demonstrate skills in speech, movement and singing.*

## INTERVIEW

You should be prepared to discuss any experience you may have had in drama classes, theatre or any other style of performance. You should also consider your reasons for wanting to study drama at a secondary level.

**Offers will be made to successful candidates by early March 2018.**

**Applications Open: 1 September 2017**
